If you are looking for Lenovo Thinkcentre, you have come to the right place!. "98256". 49th and 8th Site 3250 Minot Ave SW, Fargo, ND 58108-3816 Phone -. 2012-12-11-01.html. ThinkCentre This article is about a model of computer that was made by Lenovo. The ThinkCentre M70 is not mentioned in this article. ThinkCentre Lenovo (Taiwan) offers business computers, consumer PCs and servers under the Think, Idea, IdeaPad and Lenovo brands. Lenovo's headquarters is in Beijing. It also has a regional headquarters in New York City and regional headquarters in Washington D.C.. Lenovo's most well known brand is Lenovo ThinkPad, a line of business computers that are known for their great keyboard, trackpad, and sturdy, low-profile design. In 2009, Lenovo began a similar business with its release of the Lenovo ThinkCentre brand, which is advertised as a premium business PC for professionals. The company is also involved with branded consumer PCs including the Lenovo Ideapad line and the IdeaCentre line. Lenovo offers home and business PCs, notebooks and other mobile devices. The Chinese company has pioneered the use of consumer-friendly proprietary technologies and upgradability, and it also has popular computer lines catering to business users. ThinkCentre In the year 2007 and 2008, ThinkCentre, a brand of LENOVO, a renowned Taiwanese personal computer manufacturer, re-branded its ThinkCentre brand and other Lenovo consumer-oriented brands into Lenovo ThinkCentre brand. Thus, ThinkCentre became the focus of the brand. All the products bearing the ThinkCentre brand are designed to meet the needs of a business user - ThinkCentre offers products for educational, business and home users. The desktops, laptops, netbooks, monitors, accessories and peripherals in the ThinkCentre line are designed to meet the specific needs of a business user. The ThinkCentre brand is extensively distributed in the US, Canada, the UK, France, Germany, Australia, New Zealand, Singapore, Malaysia, Indonesia, and some other countries in Asia, Africa, and the Middle East. The ThinkCentre branding is also used in some other consumer PC lines with the addition of the ThinkCentre brand name. ThinkCentre Lenovo Group Ltd. was established in 1984. The company designs and sells personal computers, a
