SPSS Statistics 21.A sailor was discovered dead after a boat he was aboard went missing off the coast of Spain on Wednesday night,

authorities said Thursday. The boat was discovered on Thursday morning floating southwest of the Canary Islands, south of the Straits of Gibraltar, according to the U.S. Coast Guard. The 30-foot vessel was spotted at about 11:30 p.m. with one of the sailors on board. A Coast Guard helicopter responded and took a search and rescue crew to the scene to find the second sailor, Petty Officer Michael Humphries, who was dead, officials said. Two other crew members were taken to the Guardia Civil office in Palma de Mallorca. They were taken into custody for investigation of “illegal navigation,” the agency said.
