NoLimits Coaster 2 is a follow-up to its award-winning predecessor, NoLimits Coaster. The game has since become a classic among hardcore sim enthusiasts with a lofty reputation for building killer rides. NoLimits Coaster 2 builds on the mechanics of its predecessor, offering more. As soon as you start the game you are instantly thrust into the action of building and managing your own roller coaster. Gameplay revolves around collecting coins. You can also buy coin crates. The coins can be used to buy special effects and riders. Special effects can be as simple as being able to start the ride with a seat belt or as complex as super speed or water. Riders can be anything from a basic seat belt to a rocket that bursts out of the top of the track. You can even modify the speed of the tracks. As d0c515b9f4
