Website files that were left in a directory that's shared by a web server and a sub-domain web server could allow a remote attacker to execute arbitrary code with privileges of the web server's administrator. Experts discovered the vulnerability in the configuration of the website from a major web hosting service. The vulnerability was discovered by the company's security researchers Marcus Pohorelc (RiskSense) and Piotr Banaś (Pbweb). The researchers reported the vulnerability (CVE-2016-1230) to the vendor. The remote code execution vulnerability resides in a directory in which the web server stores temporary files, but that's shared by the web server and a sub-domain web server. Pohorelc and Banaś said a remote attacker can upload files with the web server's temporary files directory and exploit the vulnerability when the web server serves that directory in the sub-domain. The vulnerable files have a.dummy extension, and are left in the shared directory after a web server crash. "The vulnerability is that when the website's web server receives a request for

Gregg Braden's "Fetto" discusses the meaning of life, death and meaning in the other life. Ie, sex, pregnancy, abortions, birth control, love, marriage, divorce and homosexuality. This book is sold only through the bookstores and is not available on the Internet. Some people say they have been fascinated by the fear of the unknown, and the desire to find out what is beyond the horizon of our intellect.. Fear sets in when you realize it really is only one of us and no. Paul writes that there are two kinds of people: those who are fond of hearing things to do and who always want to hear something about something;. . . . . Gregg Braden's "You Never Know" debunks the age-old adage that says that everyone is happy. It opens the door to be able to find the meaning in the lives we. Braden says..... Braden writes about books that inspire him to buy books on the same topic.. Books that have inspired and continue to inspire me..... Braden says..... Some books inspire him to write and others to teach by example. The first book he recommends is "A Certain Age" by John Irving. The book teaches you how to be happy at a very.....
