-I completed the game and I hated how it ended. -I got the game for the PS3 in early 2008, so I was told that this title would never be released in the USA. If they were to release it today it would be on the PC (as a quick fix) and on the PSN (because both of those market's have a more modern hardware). -Perhaps this is the time to finally make a sequel to the original Shadow Warrior. -Unfortunately the new release you made was lackluster, IMO. -You've accomplished in the past is what Shadowrun does best, but now you're in the middle of the crowd when it comes to Shadowrun. -I thought the title was out? Oh well. -I will avoid you like the plague when buying RPGs in the future. (Truly a new tactic? I didn't think so). -I will never buy another one of your games. Graphics 8 -Game ran smooth without lagging. -The city area was nice with the three-dimensional details that you put in the detail. -The enemy models were spot on. -Animation was spot on. -Every graphic was easy to see and none of the game didn't look pixelated. Story 7 -Very simple plot. -Wouldn't be hard to develop a second sequel. -Epic and tense as you can expect from the game. -Now THIS is what I'm talking about... -The character was amazing. -You could get rid of the weak cutscenes, but don't do that. Gameplay 7 -Had a lot of fun during the game, but was never dragged around. -The one game where you can play solo, but you're still in a group. -The game is filled with lots of weapons and ammo, which means you have to manage your own ammo reserves and some of the missions will require you to do that. -The RPG feel is there. Audio 8 -Very fitting music for the game. -What was the quote for this soundtrack? Simple and accurate. -The voice over acted was very accurate. -Loved the voice acting and every bit of the music. Other 8 -Game provides optional hints with every action you take. -You can switch between the two characters. -Friendly NPCs that ask you to perform actions for rewards.

Who comes first, the egg or the chicken? Who knows? These days this story is no longer very interesting. The result is that we simply live in two types of eggs, those with a covering and those without. This is all from the science book for our days. However, some people are still very worried about this matter. Therefore, they are not easily taken to the egg that have been famous for centuries. Some people think that the egg is the chicken who came first. Others think the other way, and they say that the chicken is the egg who came first. At the end of the day, you can see from the facts above that neither one of them is right and it is just a myth. Then, who is the chicken? The science people say that the chicken came first. According to the past scientists, chicken is the first egg that was born from the egg. And the egg has not been born yet. Those who support chicken as the first egg include the guys from genetic science. A lot of scholars, which are experts in this field, believe that the chicken egg is the first egg. But, the scientists have been trying for the whole century and they still can not prove that the egg is the chicken who came first. They have tried hard but they can not find the proofs that show the egg came first. And they have also tried hard, so they think that the egg is chicken who came first. But, the proof of the chicken egg that comes first is still missing. And, if you are a person who is not afraid of ghosts, then you can also believe the theory of the chicken who came first. The theory says that the egg came first. And the egg is the chicken. In the other words, the egg is the chicken. The egg came first. So, which is right? It all depends on which theory you believe. In this article, we will take a look at this topic. And we will let you know what is the truth about this matter. What is the Egg? Let's see what an egg looks like. We can see the egg as one of the most famous organisms on earth. Although the egg is a living organism, we can not see it with our naked eyes. And, we need special instruments to see the egg. The egg is also the first embryo that appears in the

Demons Arisen has been waiting for 100 years. As the darkness of the night arrives, a mysterious power awakens from the dormant graves of the dead. Deadly monsters emerge from the grave, drawing near to the living world. For every demon, there is a sword... About This Game: Oriental Game Company presents Bloodlust™, an action RPG with a sword and beyond for the PlayStation®4 computer entertainment system. Praise from critics and accolades from fans: "... It truly puts the 'RPG' in role-playing-game." - GameInformer "... The game's excellent visuals certainly don't hurt, and its battle system and story are bound to draw you in. The game is a rewarding experience." - Slide to Play "... The next trip through the blade-swinging dungeon is going to be an enriching one for the entire Bloodlust audience, from a developer hungry for feedback to the hardcore gamers that have been waiting their turn for years." - GameZone "... With a storyline that rivals larger-scale titles, I was able to confidently say this is a must-have for any fan of the genre." - Playstation Universe "... Where this game shines brightest is in the action, where it's a joy to boot skulls off of enemies." - GameForum.fi "... The battle system, as well as it's challenging storyline, are what draw you into the game. It's easy to see how the game is one of the best online RPGs made." - Rock, Paper, Shotgun About Bloodlust: Your quest to combat the demons was never about becoming a legend. That was never about the glory of a hero's death, for only when you are called to abandon everything and fight for your life, can you truly understand what it means to be human. But when you re awaken to the fact that you are the only one who can save mankind from the spread of demons and the unknown plague that haunts them, and the only hope to save mankind rests with you. A violent and beautifully realized fantasy action adventure, Bloodlust is set in an alternate future, in a world that's been plunged into a society where heroes are not the norm but instead are seen as demons. It follows the journey of a man named Filian, who wakes up to find himself in possession of a mysterious sword that will imbue him with its power, transforming him into a true hero. He
